

# Where to find documentation & how to stay up to date with full site editing and block based themes

## Weekly meetings on WordPress Slack

**The slack meetings are open for anyone, but please respect that the meetings follow a set agenda and that the slack channels are not for support.**

To join the WordPress.org Slack, you first need to create an account:

<https://make.wordpress.org/chat/>

For a list of upcoming meetings please see

<https://make.wordpress.org/meetings/>

## Summaries and updates

The core editor team publishes monthly goals, meeting notes, and information about new versions of Gutenberg on:

<https://make.wordpress.org/core/>

The core editor team and the themes theme publishes weekly summaries of notable changes and current github issues and pull requests on:

<https://make.wordpress.org/themes/>

# The Gutenberg Github repository
